

Allergy, Asthma, & Immunology

May 24, 2021

Dear Patient,

I hope this letter finds you well. I am writing to inform you that I am joining the physicians at McGovern Allergy and Asthma Clinic in Bellaire, TX, and I will be closing the DFW Allergist clinic at 205 N Oak St, Roanoke, TX 76262. The last day of clinic will be Friday, July 9, 2021. Although I will be unable to continue to provide you medical care in this area after July 2021, my current contact information (phone, fax, and email – listed below) will remain unchanged, should you need to contact me in the future for any reason. I will continue to maintain your medical records in a HIPAA-secure platform even after the clinic closes, and you can have these records released to individuals you designate, with your permission. Please contact me with any questions or to schedule an appointment in the meantime, or for any additional help in transitioning your current care. It has been a great honor and pleasure providing for your allergy healthcare – thank you, and best wishes for your future health.

Sincerely,

Zachary W. Marshall, M.D.
